Re: Power Integrations v. Fairchild Semiconductor et al. (CA 04-1371 JJF)

Dear Howard:

Today, third party Intersil produced three large blown-up photographs of certain test die from one of Mr. Beasom's test wafers. These documents have been Bates labeled as I-000465-467. They are available at our Menlo Park office for inspection at Power Integrations' convenience. These are oversized, color photos, but we can discuss reproducing them should Power Integrations' desire its own copies.

Sincerely,

Brian H. VanderZanden
